## Use this document to:

- Compare current ratings of properties to see which properties are more energy efficient
- Find out how you can save energy and money by installing improvement measures

|                                                 |        |
|-------------------------------------------------|--------|
| Estimated energy costs of dwelling for 3 years: | £6,759 |
| Over 3 years you could save                     | £1,980 |

## Estimated energy costs of this home

|               | Current costs       | Potential costs     | Potential future savings |
|---------------|---------------------|---------------------|--------------------------|
| Lighting      | £465 over 3 years   | £246 over 3 years   |                          |
| Heating       | £5,955 over 3 years | £4,191 over 3 years |                          |
| Hot Water     | £339 over 3 years   | £342 over 3 years   |                          |
| <b>Totals</b> | <b>£6,759</b>       | <b>£4,779</b>       |                          |

These figures show how much the average household would spend in this property for heating, lighting and hot water. This excludes energy use for running appliances like TVs, computers and cookers, and any electricity generated by microgeneration.

## Energy Efficiency Rating

The graph shows the current energy efficiency of your home.

The higher the rating the lower your fuel bills are likely to be.

The potential rating shows the effect of undertaking the recommendations on page 3.

The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).

## Top actions you can take to save money and make your home more efficient

| Recommended measures                        | Indicative cost  | Typical savings over 3 years | Available with Green Deal |
|---------------------------------------------|------------------|------------------------------|---------------------------|
| 1 Internal or external wall insulation      | £4,000 - £14,000 | £1,515                       | ✓                         |
| 2 Floor insulation                          | £800 - £1,200    | £279                         | ✓                         |
| 3 Low energy lighting for all fixed outlets | £140             | £186                         |                           |

See page 3 for a full list of recommendations for this property.
